**Valley Pride Day** - Bill spoke with Donna who has emailed the Brownfield flyer for May 2<sup>nd</sup>. The Board unanimously decided to keep the date as of right now. Megan spoke with North Conway Incinerator who will drop off a dumpster May 1<sup>st</sup> at the Brownfield Community Center.

**Town Office Closure** - The original closure was for April 7<sup>th</sup> - Erik suggested going with the State guidelines and push it back to April 30<sup>th</sup>. The board unanimously decided to keep things the way they are until April 30<sup>th</sup> unless new things develop or requests from elected officials determine a change.

**Transfer Station Stickers** - Bill asked if the TS attendants can have a stack of TS stickers - Megan will email Michelle to ask her to give a stack to Joe tomorrow to people who are able to prove residency via their vehicle registration.

**Payables** - Bill acknowledged receipt of the payables; the Board unanimously approved them.

**Fire Department** - Dickie said they are having trouble getting PPE for their guys – specifically gloves and masks. Bill asked Dickie about the smoke detector program; he reports approximately 50 detectors have been installed before putting the program on hold due to COVID-19.

**Town Office Water Test** – The results of the town office water test are in; it passed all but Radon. Megan will post a sign by the outdoor faucet to let residents who use the water know. We are awaiting a quote to see how much it would cost to put in a water system to remove the radon.
